## Abilene

Abilene, the Friendly Frontier, is located along Interstate 20 in Taylor County in central West Texas approximately 180 miles due west of the Dallas-Fort Worth Metroplex. The town was founded when Col. C.W. Merchant, his twin brother John and other ranchers met with Texas & Pacific Railway officials to persuade them to choose a new route through the site of what is now Abilene. They named the town after the famous Kansas cattle shipping point. Abilene is now a major medical and agricultural center for the area and is home to Dyess Air Force Base, the area's single largest employer and economic influence.
